ABOUT ME

Aseel Azizieh is a visual artist, translator, and educator with over a decade of experience spanning art direction, teaching, and cultural leadership. She has curated international exhibitions, founded art academies, and earned awards such as the Jerash Festival Prize. Currently pursuing an M.A. in European Studies at Tbilisi State University, she is known for her sculptures, paintings, Murals, and Designs. She has wonderful experiments in which the most natural, simplicity, and depth are combined, these terms which she achieves the beauty of wonder.
